Dear Dr Georgia Kokkali,

Please allow me to take this opportunity on behalf of the organizing committee to thank you for contributing as a high impact instructor to the 1st International “Advanced Course in Clinical Embryology” during the past academic year.

We are thrilled with the excellent feedback that we received from the 2022-2023 team. Your lecture inspired, motivated and helped the students gain knowledge that will reflect on their expertise. We wholeheartedly express our deepest appreciation for your generous support while we acknowledge and applaud your commitment to educating the next generation of clinical embryologists and advancing the field.

It is with great joy that we would like to welcome you to the second academic year 2023-2024 of the International program "Advanced Course in Clinical Embryology".

If I may kindly ask you to acknowledge receipt of this email.

Looking forward to hearing from you.
